

24-Port Gigabit Switch Optical Module

24-Port Gigabit Switch Optical Module

A standard product features power 10G uplink speed, easy installation, high security, flexibility of selecting SFP modules, which gives ease of management and investment protection for ...

Download the datasheet. The DXS-3400 Series switches feature a modular fan and power supply design for a high availability architecture. The hot-swappable design means that fans and power supplies ...

Power and manage your network with this robust 24-port Gigabit PoE+ switch. Featuring a 300W total power budget (up to 30W/port), 4 Combo SFP uplink slots for fiber connectivity, and comprehensive ...

It includes 8 non-PoE Gigabit RJ45 ports and 4 Gigabit SFP slots for flexible connectivity. With a fanless design and metal casing, it ensures silent operation and durability, suitable for noise-sensitive ...

The GAOTek 24-Port Gigabit Optical Fiber Switch features 24 SFP ports, 92 Gbps switching capacity, 480 Gbps stack bandwidth, and supports up to 2000 wireless clients, making it ideal for high ...

Aggregation switch for small and medium-sized campus networks, with 8 x 1GE/10GE SFP+ uplink ports for high-speed data transmission; 24 x 1GE SFP ports (including 8 x combo ports), providing high ...

The GAOTek 24-Port Gigabit Optical Fiber Switch features 24 SFP ...

Layer3 managed network switch TOP-S3230-28SX, features with All-Optical Ports and Redundant Dual PSU Modules hot-swappable. 10 Gigabit high-bandwidth uplinks, good for long-distance transmission.

Compact and flexible, the TL-SG2424P is ideal to flexibly use PoE to deploy wireless access points or IP-based network surveillance cameras for projects or small business networks. To integrate voice, ...

Faster replacement and priority support, covered for 5 years. A 24-port, Layer 2 switch with a silent, fanless cooling system.

Layer 2 network switch designed for video data transmission 24 x 10/100/1000 Mbps ethernet port, 1 x 10/100/1000 Mbps uplink ethernet port and 1 x 10/100/1000 Mbps uplink SFP port
