

400G QSFP optical module in stock

400G QSFP optical module in stock

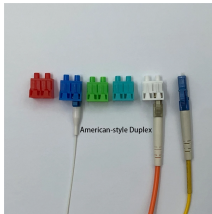

Buy 100G and 400G fiber optic transceivers for high-speed, high-density and high-capacity data center solutions at QSFPTTEK online store. Compatibility guaranteed and same-day shipping.

200G/400G/800G optical module features up to 40km transmission distances using QSFP56/QSFP-DD footprints for data center interconnect applications - FiberMall

FIBERTOP Optical Module Factory QSFP-DD 400G supports 400Gbps data rates, provides reliable high-bandwidth connections for high-density data centers and backbone networks, supports the ...

High-performance 400G QSFP DD SR8 transceiver for 400GBASE-SR8 links. Supports QDD 400G SR8 and SR8-S standards for short-range multimode connections.

It supports eight electrical interface channels that operate in 50G PAM4 coding mode to produce 400G (8x50G) data rates. The multiplexing and demultiplexing of eight wavelengths are managed within ...

Transceiver USA's optical QSFP and OSFP modules are used in enterprise and datacenter networks. View price, stock and buy direct from Transceiver USA.

FS provides an expanding portfolio of 400G OSFP/QSFP112/QSFP-DD solutions featuring high-performance, high-bandwidth, and backward compatibility. The 400G transceiver modules are ideal ...

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical support & wholesale pricing.

This product is a parallel 400Gb/s Quad Small Form Factor Pluggable--double density (QSFP-DD) optical module. It provides increased port density and total system cost savings.

NADDOD provides high-quality, high-capacity 400G Ethernet transceivers for RoCE networking, including 400G OSFP, QSFP-DD, and QSFP112 optical transceivers.
