

Belarusian pluggable optical module 25G

Belarusian pluggable optical module 25G

SFP28 stands for Small Form-Factor Pluggable 28. It is the third generation of the SFP interconnect systems designed for 25G performance per the IEEE 802.3by ...

FS 25G SFP28 optical transceiver solutions offer a wide variety of high-density and low-power connectivity options for 25 Gigabit Ethernet, telecom, and data center.

The GIGALIGHT 25G SFP28 pluggable optical transceiver modules support 25G Ethernet, InfiniBand EDR and CPRI Option 8/10 data rates. This portfolio includes SR 100m, eSR/CSR 300m, LR 10km, ...

SFP28 stands for Small Form-Factor Pluggable 28. It is the third generation of the SFP interconnect systems designed for 25G performance per the IEEE 802.3by specification (25GBASE-CR). The ...

SFP28 25G CWDM transceivers are compact, hot-pluggable optical modules designed for 25 Gigabit Ethernet (25GbE) networks. They utilize CWDM technology, which allows multiple data channels to ...

Featuring low power consumption, high speed, this 25G transceiver is ideal for 25G Ethernet, telecom, and data center. Besides, it offers interoperability, laying a foundation for the next-generation network ...

25G SFP28 optical transceivers. Single and dual fiber. Compatible with Cisco, Juniper, Arista, Miktorik, Dell, Intell and other brands.

Electrical Loopback Modules GIGALIGHT provides a series of active electrical loopback modules for port testing of 25G SFP28, 100G QSFP28, 200G QSFP56, and 200G/400G QSFP-DD interfaces.

The SFP28 transceiver is a high-speed, hot-pluggable module designed to deliver 25 Gbps Ethernet connectivity over a single lane, making it a key component for modern high-performance networks.

This transceiver module is compliant with the Small Form-factor Pluggable (SFP+) and hot pluggable. Always contact Skylane Optics® commercial agents for compatibility with different equipment platforms.

The 25g SFP28 modules produced by SULITON are suitable for most switch brands on the market, such as MSA, Cisco, Huawei, Juniper, Dell, Edge-Core and other switches.
