

Distribution Box Flowchart

Distribution Box Flowchart

This business distribution flowchart template describes the process of receiving orders/inquiries via two different channels (telephone and email).

How can a distribution process flow chart be used to identify bottlenecks in the supply chain? Here's what I'd do - map out every single step in your distribution process first.

Sketch your flowchart with Draw and use Shape Assist to perfect your rectangles, arrows, and diamonds. Then, use Text to Image to generate custom icons or Magic Write to summarize wordy text.

The Flowcharts can represent different levels of detail: High-Level Flowchart, Detailed Flowchart, and Deployment or Matrix Flowchart. They are incredibly useful for programmers when developing the ...
