Find 3+ Hundred Upside Box stock images in HD and millions of other royalty-free stock photos, 3D objects, illustrations and vectors in the Shutterstock collection.

It's very common to mount residential boxes upside down (in the US, at least). I think it's generally a safe bet to assume you can, but good practice to still check the specs.

Find Upside Down Cardboard Box stock images in HD and millions of other royalty-free stock photos, illustrations and vectors in the Shutterstock collection. Thousands of new, high-quality pictures added ...

Neither "face-up" nor "horizontal" are defined in the NEC. My interpretation based on the usage in the text is that horizontal and face-up are the same thing.
