

Distributor Industrial Switch 10G

Distributor Industrial Switch 10G

Our rugged 10G switches provide reliable performance for critical industrial networks. Equipped with advanced features like VLAN, QoS, link aggregation, and redundancy, these ruggedized 10G ...

Discover EtherWAN's 1G/10Gb industrial Ethernet switches with PoE and SFP+ uplinks. Ideal for smart cities, automation, and edge connectivity.

Our industrial 10G switches are designed to deliver exceptional speed and performance. With high-throughput capabilities, they ensure seamless data transmission and network efficiency, even in the ...

Omnitron Systems' 6 and 10-port industrial managed 10G Ethernet switches offer high-performance and reliable network solutions for industrial applications, ensuring seamless connectivity and robust ...

Featuring a 10Gbps uplink, the IGS-1000-8T4X is suitable for connecting to an industrial backbone or high-capacity servers. Operating flawlessly across an extensive temperature range, it guarantees a ...

Explore FS 10Gb Switches, designed to meet campus network access/aggregation needs, featuring comprehensive protocols, scalability & reliable redundancy.

The AMG Systems AMG560-16GAT-4XS-P240 is a 10Gb industrial Layer 2 managed PoE switch designed for commercial-grade network applications. It features 16x10/100/1000TX ports and 4 multi ...

CTCU 10G fiber switches provide a strong fiber aggregation solution for high density fiber connectivity. MSW and GSW series are managed and offer all tools for a reliable fiber access network build.

Antaira's 10G Ethernet switches are fully manageable industrial Ethernet switches, boasting pre-loaded, standard Light Layer 3 network management software. Our 10G managed switches are equipped to ...

White Cabling

With its 28 ports (4x 10GBase-X SFP+ slots, 24x 10/100/1000Base-T PoE+ ports according to IEEE 802.3at) this switch is suitable for cabling larger units in industrial environments as well as for in ...
