Humidity Resistant Cable Tray Grade A Fireproof Tray With Alloy Aluminum Finish Easy Installation
Product Description: Our Flameproof Cable Tray is designed to be fireproof, ensuring the safety of ...

GI Cable Tray is often a cost-effective solution compared to other materials. It is relatively affordable, especially when considering its durability and long lifespan.

The fire-proof spray cable tray is electrolyzed on the surface of the cable tray with paint powder with fire-proof function, so that the tray itself has fire-proof performance.

We offer Cable Tray in Namibia in different specifications at competitive market prices. Our range is customized and passes stringent quality tests, before reaching the market.
