

# **Finisar gigabit single-mode optical module**

## Finisar gigabit single-mode optical module

Finisar's FTLC1151RDPL QSFP28 transceiver modules are designed for use in 100 Gigabit Ethernet links on up to 10km of single mode fiber. They are compliant with the QSFP28 MSA1, IEEE 802.3ba ...

Supporting a data transfer rate of 103.1 Gbps, this QSFP28 transceiver module is suitable for environments requiring robust and efficient data handling. With a plug-in form factor, it integrates into ...

Buy Genuine Finisar SFP+, SFP28 and SFP56 Optical Transceiver Modules from GenuineModules with best price and fast worldwide shipping.

Finisar's FTLX1475D3BCL 10Gb/s Enhanced Small Form Factor Pluggable SFP+ transceivers are designed for use in 10-Gigabit Ethernet links up to 10km over Single Mode fiber. They are compliant ...

The DSFP-1GXX-80-FI series single mode transceiver is small form factor pluggable module for duplex optical data communications. This module is designed for single mode fiber and operates at a ...

Whether you require Ethernet, Fiber Channel, or Gigabit Ethernet connectivity, this module can seamlessly integrate into your existing network infrastructure. Its versatility and flexibility ensure a ...

The Finisar FTLF1318P3BTL is a gigabit SFP optical transceiver compliant with the 1000BASE-LX standard. It uses a 1310nm wavelength laser and is designed for long-distance data transmission ...

Our Finisar FTLX1475D3BTL compatible transceiver uses a high-quality DFB Laser transmitter operating at 1310 nm nominal wavelength and a 1310 nm PIN Photodiode receiver. This module ...

Buy For Finisar Gigabit single-mode optical module sfp Gigabit 10km FTLF1318P2BTL with fast shipping and top-rated customer service. Newegg shopping upgraded™.

Finisar's FTLC1156RDPL QSFP28 transceiver modules are designed for use in 100 Gigabit Ethernet links on up to 10km of single mode fiber. They are compliant with the QSFP28 MSA1, IEEE 802.3ba ...
