

Guinea Gigabit Industrial Switches

Guinea Gigabit Industrial Switches

Featuring remote reboot, power, i.e., PoE, and other network management functions, Inscape Data's innovative 2, 4, and 8 port Gigabit PoE switch systems greatly reduce the challenges and overhead ...

Manufacturer of Industrial GbE Managed Switch Series. Empowering Smart Cities and Industrial IoT In the rapidly evolving landscape of the Internet of Things, there are increasing demands for networking ...

Manufacturer of Ethernet Switch. CTC Industrial Ethernet switches offer a total of 5~20 fiber/UTP ports and feature industrial-grade reliability and network redundancy. The switches offer advanced ...

Guinea Gigabit Layer 2 Managed Industrial Switch with 2 Fiber Ports and 4 Electrical Ports, Model JXRD24GS-M-SFP Guinea 100 Mbps 24-Port Industrial Ethernet PoE Switch JXRD024F-AC

Workhorses for a broad spectrum of industrial needs, these modular switches feature high-wattage PoE options, high-speed 10-GE uplinks, and advanced network security capabilities.

Antaira offers a variety of industrial Ethernet switches, including industrial-grade network switches, DIN mount switches, and Ethernet switchboards, that can perform efficiently in adverse weather ...

Add to Compare 10-Port Industrial Gigabit L2 Managed DIN-Rail Switch TI-G102i (Version v1.6R)
MORE INFO FIND RETAILERS Add to cart

The Hardened Industrial Gigabit Ethernet Switch is a compact and robust switch designed for specialized industrial applications. The switch is housed in a solid aluminum casing, making it ...

WAGO's switch portfolio provides scalable Ethernet network infrastructure with excellent electrical and mechanical performance. These rugged devices are designed for industrial use and are fully ...

Multi-gigabit ports prevent network bottlenecks as wireless performance increases. Weather-resistant switches extend network connectivity to outdoor and industrial environments. Rugged enclosures ...
