

Huawei 48-Port 10 Gigabit Switch All Fiber Ports

Huawei 48-Port 10 Gigabit Switch All Fiber Ports

Huawei 48-port switches are engineered for high-density connectivity, supporting a full complement of Fast Ethernet, Gigabit Ethernet, or PoE+ ports depending on the model.

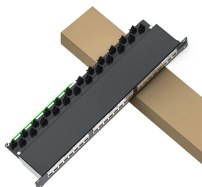

SKU: S310-48P4X Fast Shipping Secure payment
Type of Switch: Managed Switch Number of Ports: 48Ports Power over Ethernet: PoE+ Availability

The Huawei eKit S220-48P4X is a high-performance 48-port Gigabit Ethernet switch with Power over Ethernet (PoE+) support and 4 x 10G SFP uplink ports, making it an ideal solution for enterprise ...

The Huawei S5731-S48P4X is a high-performance switch from the Huawei S5700 series, designed to meet the networking needs of modern enterprises. It features 48x 10/100/1000BASE-T ports and 4x ...

The electrical and optical ports of a combo port are multiplexed, and only one of them can work at a time. When one of the Ethernet ports is working, the other port is shut down.

The Huawei S310-48T4X is a managed Gigabit Ethernet switch with 48 Gigabit ports and 4 SFP+ ports, ideal for high-speed data transfer, data center applications, high bandwidth needs, and future ...

48 x 10/100/1000BASE-T ports, 4 x 10GE SFP+ ports | AC power supply | PoE+ | Packet forwarding rate: 131 Mpps | Switching capacity: 176 Gbit/s

Huawei Quidway S5352C-EI (LS-S5352C-EI) is a 48-port 10/100/1000Base-T Layer 3 Ethernet switch with 10GE uplink options, designed for high-performance enterprise networks.

Based on the next-generation high-performance hardware and software platform, Huawei eKitEngine S310 series switches stand out with features such as intelligent stack (iStack), flexible Ethernet ...

The Huawei S5731-S48P4X is a high-performance switch from the Huawei S5700 series, designed to meet the networking needs of modern enterprises. It features ...

It comes equipped with 48 Gigabit Ethernet (10/100/1000Base-T) downlink ports and 4 SFP (1000Base-X/10 Gb) uplink ports, providing flexible connectivity for a variety of network topologies.
