

Industrial Ethernet fiber optic cable 1000mm deep

Industrial Ethernet fiber optic cable 1000mm deep

Order today, ships today. IF-C-E1000 – Fiber Optic Cable Black Multimode, Simplex 1000µm 82.02" (25.00m) from Industrial Fiber Optics. Pricing and Availability on millions of electronic components ...

We specialize in providing leading edge solutions and manufacturing technology products such as industrial networking cables, illumination fibers, medical assemblies and optical sensors.

The F-POF-1000-C step index multimode plastic optical fiber features a core diameter of 1000µm. The fluorinated polymer cladding material makes the cable more flexible than it's glass counterparts. A ...

Armored, burial, and ruggedized designs are suited to a host of industrial environments. For each product design, items for OM1, OM3, OM4, OM5, and OS2 (Singlemode) items have been developed.

Mouser offers inventory, pricing, & datasheets for 1000 m Fiber Optic Cables.

Industrial PoE Switches Power-over-Ethernet switches delivering up to 90W per port with IEEE 802.3bt compliance. Smart power management, surge protection, and single-cable data/power delivery for IP ...

With more than 25 years of experience supplying military tactical and tight-buffered indoor/outdoor fiber optic cables, OCC understands the requirements for tight-buffered fiber optic cables that can ...

With the patented digital diagnostic capabilities on the trans-ceiver, the Ethernet Switch can monitor the link characteristics, such as receive optical input power, and provide early warning alarms to ...

ROBOfiber manufactures high quality fiber optic pluggable transceivers in a large variety of formats and speeds, including 400G, 100G, 40G, 10G, Gigabit, Fast Ethernet, SONET and Fibre Channel

Optical cables for industrial applications. Available with multimode fibers, HCS (200/230) fibers, and plastic optical fibers (POF).
