

Norwegian Outdoor Distribution Box Manufacturer

Overview

We work closely with the following brands and suppliers to deliver the best water sports and outdoor equipment to retailers across Scandinavia and the Nordics. The SHA series of outdoor power distribution boxes is a multi-functional power distribution equipment suitable for indoor and outdoor environments. It is made of ABS shell and PC door material, with IP65 waterproof and dustproof and IK09 impact resistance. The SHA series provides 4 to 36 channels. Aclima has targeted quality, textile innovation and a passion for outdoor activities for more almost 90 years. With its AASHTO HS20 load rating, Christy enclosures are optimized for use on roadways that experience heavy vehicular traffic. Identify and compare relevant B2B manufacturers, suppliers and retailers Max. General data Product family - RESA SC.
