

Rack-mounted 1-to-4 optical splitter

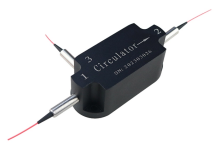

Rack-mounted 1-to-4 optical splitter

QuestTel PLC splitters are used to distribute or combine optical signals. PLC ...

QuestTel PLC splitters are used to distribute or combine optical signals. PLC splitter are based on planar lightwave circuit technology and provides a low cost light distribution solution with small form ...

The Connectix Rack Mounted PLC Optical Splitter range provides equipment rack panel solutions in 1:4, 1:8, 1:12, 1:16, 1:32, 1:64 and 2:4, 2:8, 2:12, 2:16, 2:32, 2:64 variations. The optical splitter panels ...

Product Description The Fiber-Shack Planar light-wave circuit (PLC) splitter is an ...

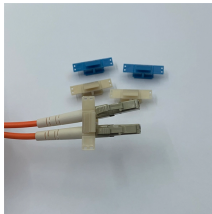

FS PLC Fiber Optic Splitters, Bare/Blockless/ABS/LGX Splitter/Rack Mount Types, support 1xN light distribution, with low IL and PDL for high-reliability transmission.

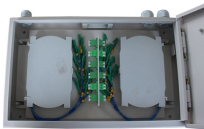

Planar light-wave circuit (PLC) splitter is an optical power management device fabricated by using silica optical waveguide technology. It features a compact size, high reliability and wide operating ...

Compact and Durable: Our PLC splitter is built to last. Its compact, rack-mountable design makes it easy to install and maintain while still delivering exceptional performance.

Single-mode LGX optical splitters are designed to either stand alone or act as an accessory to an existing rack or wall-mount patch panel, using standard snap fasteners for easy installation.

Rack Mounted PLC Splitters are widely used for FTTH Passive Optical Network as passive optical splitters, including EPON (as EPON Splitter) and GPON (as GPON Splitter).

Product Description The Fiber-Shack Planar light-wave circuit (PLC) splitter is an optical power management device fabricated by using silica optical waveguide technology. It features a compact ...

High-performance 1x4 rack mount PLC fiber optic splitter with SC/APC connectors, wide operating temperature (-40°C to +85°C), and low insertion loss for FTTH/FTTH networks.

We are a professional manufacturer of Rack Mount PLC Splitter Suppliers,Factories,and can provide best Rack Mount PLC Splitter here.
