

## Senegal makes distribution boxes

### Overview

Almost all goods entering Senegal transit through the Port of Dakar and are distributed mainly by truck to interior areas and the neighboring landlocked country of Mali. The capital city, Dakar, is the hub of economic activity and the largest consumer market in Senegal with 90 percent of its manufacturing base and 22 percent of its population. You can also find various custom-made boxes ranging from regular slotted to half slotted. Property boundary equipment designed to establish points of protection with 22 x 58 80 A fuses for connecting collective housing. This equipment is especially well suited for the collective distribution of electricity. Strong demographic growth and rapid urbanisation in recent years have transformed the food economy from.
