Overview

Find suppliers, manufacturers and distributors for Fiber Optic Sensors. Offering quality sensor solutions to industry. Inductive and capacitive proximity sensors, laser, photoelectric and fibre optic sensors, ultrasonic sensors, incremental and absolute encoders and an extensive range of RFID tagging equipment. com Email this Company JBV OPTICAL CO. The solution of choice for the most security conscious industrial, military and government organisations, FFT's. We specialize in providing innovative, fiber optic-based sensing solutions that empower organizations to safeguard their assets, optimize operations, and enhance security. With the increasing need for real-time, accurate monitoring, our solutions offer a transformative approach that redefines the. SMARTEC SA is a leading developer, manufacturer and distributor of measurement and structural health monitoring systems which set standards for innovation, quality, ease of use and durability. We support and train our customers in the design, installation and use of monitoring systems, as well as. Future Fibre Technologies (FFT) manufactures a complete portfolio of fibre optic intrusion detection and location products for a wide range of applications that are, quite simply, the world's most effective answer

to securing high value assets and critical infrastructure.

South African fiber optic sensor technology manufacturer

Supplier of Industrial, Military, Space and Security Electronics to South Africa, Africa, Middle East and beyond.

Welcome to NetworkSense Solutions, where cutting-edge technology meets reliable security and infrastructure monitoring. We specialize in providing innovative, fiber optic-based sensing solutions ...

Since 1997, FibreAid has been the trusted force behind cutting-edge fibre solutions across South Africa and Africa. Our foundation of integrity drives every project with transparency and unwavering ethics.

Our mission is to be the leading supplier of passive fibre optic solutions in sub-Saharan Africa by offering an unbeatable customer experience. This experience is developed through quality products at ...

Fiber Optic Sensors from the EngNet Engineering directory and search engine. Find suppliers, manufacturers and distributors for Fiber Optic Sensors.

SMARTTEC SA - 30 Years of Innovation in Fiber Optic Sensing. SMARTTEC SA is a leading developer, manufacturer and distributor of measurement and structural health monitoring systems which set...

When exploring the sensor industry in South Africa, several key considerations come into play. Regulatory compliance is paramount, as local and international standards govern manufacturing and ...

Future Fibre Technologies (FFT) manufactures a complete portfolio of fibre optic intrusion detection and location products for a wide range of applications that are, quite simply, the world's most effective ...

Future Fibre Technologies is a leader in intrusion detection systems, offering fibre optic security system solutions for pipeline, fence, and perimeter.
