

Switches that support 155m optical modules

Switches that support 155m optical modules

eSFP-SM1310-155M-2.5G-15km Table 9-133
Technical specifications

Designed with user convenience in mind, our hot-pluggable optical module can be quickly integrated into your setup without downtime. This simple mechanism allows you to replace or ...

Our SFPs have been tested and found 100% compatible with various Ethernet switches from major manufacturers like: Cisco, Nortel, Extreme, ZyXEL, D-Link or Netgear. Additional information on ...

The information in this guide about hardware platform support is current as of the date this guide was published. Support for specific SFP types might have been added to other switches or I/O modules ...

Next, we will introduce the solution of MOXA EDS-510E switch with optical module. EDS-510E switch can support 155M SFP optical module, 1.25G SFP optical module and SFP copper module.

LC, E-temp OVERVIEW The SO-SFP-155M-O-Cxx-E is an SFP form-factor transceiver for OSC (Optical Supervisory Channel) and OTDR (Optical Time Domain Reflectometer) applications. The transceiver ...

Next, we will introduce the solution of MOXA EDS-510E switch with optical module. EDS-510E switch can support 155M SFP optical module, 1.25G SFP optical ...

Explore 155M SFP transceiver modules, including specs, fiber types, compatibility, and pricing. Learn how to choose the right 155M SFP for your network.

The RJ-155M-FX-DPLX runs on 100Mbps to 155Mbps duplex data links and has a 1310nm LED transmitter and a PIN receiver. It features a metal LC connector receptacle with secure optical ...

Various Switch Tests Every module is quality tested for compatibility in the multi-brand switches environment, guaranteeing flawless operations.

These small, modular optical interface transceivers offer a convenient and cost-effective solution for an array of applications in the data center, campus, metropolitan-area access and ring ...

Our SFPs have been tested and found 100% compatible with various Ethernet switches from major manufacturers like: Cisco, Nortel, Extreme, ZyXEL, D-Link or ...
