"Can" is one of the most commonly used modal  
verbs in English. It can be used to express ability  
or opportunity, to request or offer permission, and  
to show possibility or impossibility.

Used to indicate possession of a specified power,  
right, or privilege. The president can veto  
congressional bills.

CAN definition: to be able to; have the ability,  
power, or skill to. See examples of can used in a  
sentence.
